Bringing the Best Family Fun to Turlock!

Since 2007, RAM FARMS has delighted young and old with their Pumpkin Patch and Amazing 20 Acre Corn Maze. With lots of fun activities and over 40 varieties of pumpkins, gourds, and winter squash, it has become an Agritourism destination for Fall Family Fun.

In 2013 we extended the fun into the winter months.

FIELDS OF ICE, Turlock's first and only seasonal Ice Skating Rink with Premier Christmas Trees, was opened and welcomed by the community and surrounding areas. Our popularity continues to grow each season. Each year we make improvements such as adding a tent covering so that we can now provide a healthful winter activity that brings families and friends together regardless of weather.
